## Flexible options with Lely Finance

As a dairy producer, you may be looking for options that will allow you to expand your business while maintaining costs. With more than 50 years of experience in agricultural finance, Lely Finance provides solutions to help meet your needs.

The first to offer financing for robotic technology, Lely Finance can help you find the right financial solution to help you obtain the equipment you need and invest in your future.

### Lely Lease<sup>1</sup>

- Lower payments than a traditional loan to maintain cash flow
- Pay for the use of the equipment to help keep operational costs consistent and low
- Flexible terms with the ability to trade equipment at any time, plus end-of-term options that include renew, purchase or trade
- Possible tax benefits<sup>2</sup> that may allow you to deduct payments and/or utilize off-balance sheet reporting

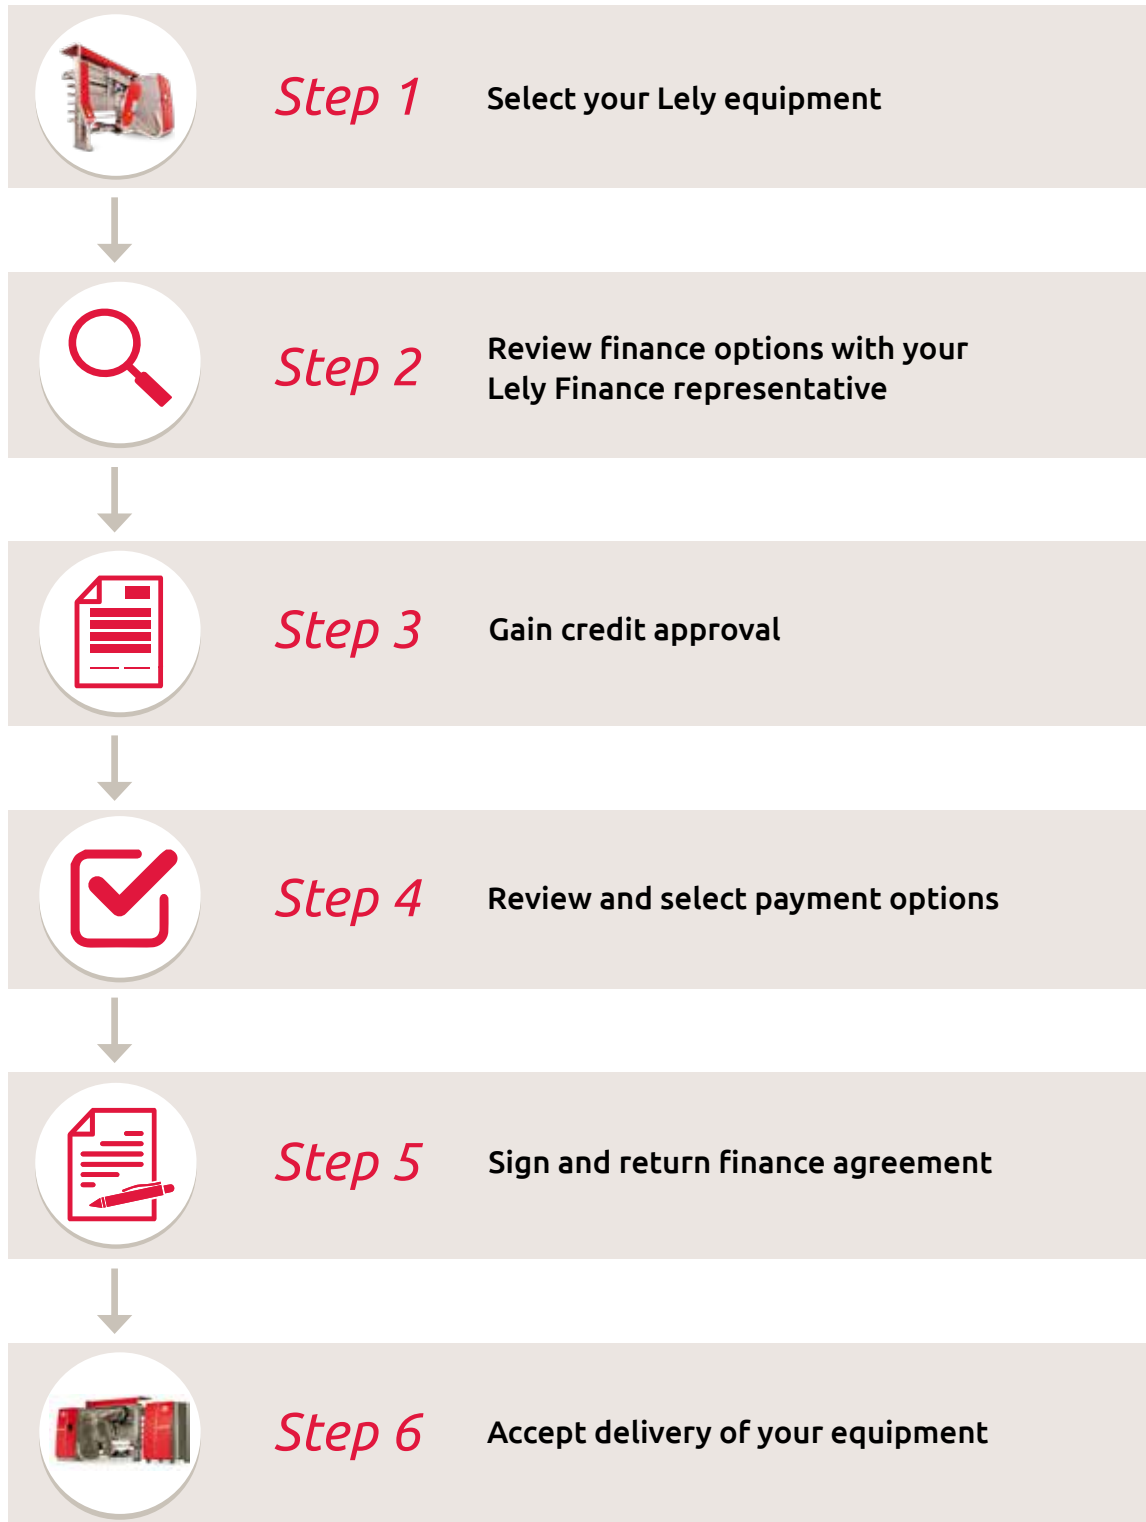

### Purchase Loan<sup>1</sup>:

- Pay towards the ownership of the equipment over time and spread out the cost of the investment in multiple payments
- No restrictions to pay off balance early
- Payment outpaces the rate of depreciation, building equity quickly
- Possible tax benefits<sup>2</sup> that may allow you to account for depreciation

<sup>1</sup>Subject to credit review and approval and other terms and conditions. All financing is in Lely Finance's sole discretion

<sup>2</sup>Nothing constitutes tax advice. Always consult a qualified tax advisor.

# How does it work?

Subject to credit review and approval and other terms and conditions. All financing is in Lely Finance's sole discretion.
